Harvest festival

Thank you to everyone who contributed towards our harvest festival this morning. The assembly was led by Rev Pringle and he was delighted with our display of food. The contributions were then carried round to the church where they will be shared out amongst the local and city wide community. Thank you.

Parent's Consultations

You should have received your appointment time for your meetings with the class teachers on Monday and Tuesday next week. Please note that all appointments will be held within your child's classroom. Second hand uniform will be displayed in the entrance hall - all items are £1. In addition we will have representatives and displays from the extended schools service, family learning team and positive parenting. These visitors will be happy to share a little more about the services they offer and your ideas and comments will be used to plan a programme of events on offer during this school year.

Parent helpers

Thank you to the parents who have offered some of their time to support us in school. Everyone who replied to our recent request has been assigned to a class, but if you are available for an hour or two and would like to help by hearing the children read or preparing a range of resources, then please contact school at you earliest convenience.

Barnardo's

Barnardo's is the largest children's charity in the country, working hard to give a brighter future to children who are homeless, disabled, have been abused, living in poverty or caring for a family member who is ill. The children have been set a bean challenge by Barnardo's. All children are invited to grow a bean at home and then return them to school, with the contribution envelopes by Monday 2nd November so that they can be measured. All children that take part will be given a certificate and keyring, and all envelopes will be placed in a prize draw with the chance to win the Barnardos teddy bear that arrived in school this week. Thank you for your support with our chosen charity.

Year 3 & 4 Violin Workshop

On Monday 5th October our violin teacher, Mr Roe, from the PAS will be holding a workshop in school for those children who might be thinking about starting lessons. The children will be able to hold and get the feel of the instrument. If your child would like to take part please complete the slip below. The cost of the lessons is £35.00 per term.
