Parents ICT group

A small group of parents and grandparents met yesterday (Thursday 3.30pm - 4.30pm/ 5pm) to begin to learn how children develop their ICT skills at school. This group is very informal and is a great way for children and adults to learn together. A crèche has been set up for pre-school children, so if you are interested in joining this group please return the reply slip below. Thank you

Parents Consultation Evenings

These will be held on Monday 8th February and Tuesday 9th February for parents of children in Year 1 - Year 6. (Reception parents will have the opportunity to visit the Reception classroom to work alongside their children during a session - dates for these will be circulated in a separate letter.) Both consultation evenings will run from 4pm - 6.30pm. A separate letter will be sent out next week so please look out for it and return it to school as soon as possible expressing your preferred evening and time slot.

Share Training

Thank you to the few Reception parents who have shown an interest in attending a Share course at school starting on Friday 29th January 2010 at 9am. These sessions will provide practical tasks for adults to share with their children and will be a great opportunity for parents to get together in a fun and relaxed environment. If you haven't yet signed up and would like to get involved, please return the reply below as soon as possible.
