

NEWSLETTER - 5th March 2010

Year 1 Class Assembly

Year 1 class assembly has been rescheduled. It was planned for Friday 19th March but it has now been rescheduled to Friday 18th June 2010 at 9.05am. We are very sorry for any inconvenience this change may cause.

Learning platform - Moodle do

We are aiming to launch our Moodle Do learning platform next week. Learning platforms are an online service that provides additional opportunities for children and families to continue their learning at home. Each class will have an introduction to the site in school next week and all children will be given their username and password. Look out for a letter next week explaining how to access the site at home.

Easter Celebrations

Don't forget our Easter competition to create a Spring or Easter garden. All models should be sent into school on Monday 29th March and they will be on display during Tuesday 30th March. Our Easter family service will be held on Tuesday 30th March at 11am. All parents and grandparents are welcome to attend and join us in the school hall for a coffee at 10.30am - this is also a great chance to see the children's Spring gardens.

Book week

Thank you to everyone for supporting our book week in school. We sold over £900.00 worth of books and we will use the commission raised in our new library. Lots of children dressed up in costumes from dinosaurs to the 'King' himself (Elvis of course). Thank you for your help and support. We still have some World Book Day vouchers in school which can be used up to 28th March 2010. Please collect one from the school office.

Schoolcomms

We have carried out a number of test runs during this week and are set to start next week. If you have not already sent your email address and mobile number into school, please do so as soon as possible. All newsletters and class letters regarding trips etc. will be forwarded to you by this method. For those families who do not have an email address, a paper copy will come home with your eldest child as usual. If we do not receive a message when your child is absent from school, then you will receive a txt message asking you to telephone the school to explain the absence. Today we have sent this newsletter by email and via the children. If you experience any problems with the email could you please let the office know. Thank you for your support.

Parking Outside School

As you know we have some building works being carried out in school and would appreciate it if you did not park near to the double gates at the front of the school. Parking here can cause an obstruction to the workmen and also to pedestrians. Please park safely. Thank you.

Diary Dates
