

NEWSLETTER - 12th March 2010

Sporting Events

We entered a boys and girls team at last Saturday's Cross Country Championships. We are pleased to say that the children all did very well and the teams came 14th and 15th out of over 40 schools that were present. Thank you to the parents and children for supporting this school event and to Mrs Dodd and Mr Styles for training and organising the teams.

Easter celebrations

Don't forget our Easter Service at St Christopher's Church on Tuesday 30th March at 11am. Tea and coffee will be served in the school hall from 10.30am and this will also provide the opportunity for you to see all of the children's Spring or Easter gardens as these will be displayed in the hall from Monday 29th March. Please put the date in your diary!

Home Access Grant

You may remember that we encouraged parents to access this grant to provide computer access at home. We have been informed that hundreds of families in Coventry have accessed this already, so if this is something you would benefit from then please pop into school for more information.

School Visits and Visitors

Thank you to all our families who have generously supported the visits and visitors that have been arranged this term to enhance the children's learning. We are delighted that these events have been able to take place and are happy to report that the children's behaviour has been excellent and commented upon at each venue the children have been to. During this term children have enjoyed visiting a selection of places including Warwick Castle, Cadbury's World, National Space Centre, Ryton Organic Gardens, Ricoh Arena, as well as enjoying special themed days in schools with specialist visitors for example the Egyptian Day. Thank you also to the parents and family members who have accompanied and supported the children during these worthwhile events.

If you have not already done so, could you please return the health questionnaire as soon as possible as the school nurse will be in school on Thursday 18th March. Thank you.
