Grandparents Maths Course

Unfortunately we had to cancel this course due to lack of interest. We are beginning to plan a range of courses for the next academic year both in the school day and in the evenings. If you have any specific request please let the school office know. Thank you

Fun for Fathers

After the huge success of the previous two evenings we are planning to hold another Fun for Father's event on Monday 17th May 5pm - 7pm. Please put this date in your diary - it is sure to be a fun event full of many practical activities for the children to enjoy. All children are welcome to attend with a male member of their family. We hope to see you there.

Parents Questionnaire

A questionnaire has been sent home to all families today both electronically and a paper copy. We really appreciate your time in completing the questionnaire and welcome all of your comments and feedback. Please take a few minutes to fill one in and send it back to school by Friday 21st May. Thank you

Positive Behaviour Strategies Workshop

A group of parents meet once a term to address a range of issues and this term the meeting will focus on positive behaviour strategies. The workshop will take place in school on Wednesday 19th May at 7pm. So that we have an idea of numbers please complete the reply slip below or contact the school office to inform us of your attendance.

Sun Safety

As part of our sun safety scheme, the children will be bringing home an entry form for a "Design a Hat" competition, Please encourage your children to take part as this could win your family a holiday in the sun as well as items for school.
