

NEWSLETTER - 2nd July 2010

Thank you to all parents and family members who supported our annual sports days on Wednesday. Both events went very well and were enjoyed by all of the children. Thankfully the weather was kind to us and the children were able to display their hard work and their sporting talents. Thank you once again to Mr Styles and to the rest of the staff who organised the events and ensured they ran smoothly.

Building Work

As you may already be aware the building work currently being carried out to replace the roof caused some problems in school on Tuesday. The sudden heavy rain caused a flood in school during Tuesday morning and there has been some significant damage to the ceiling, walls, carpets, school property and children's work, mainly along the Key Stage 2 corridor and in the Year 3 and Year 4 classrooms. The children behaved very sensibly during quite a challenging day and all staff worked incredibly hard to rescue important paperwork, computer technology and children's work. Unfortunately the school remains a little damp and untidy as we have had to move around resources and equipment to enable things to dry out whilst we wait for decisions from the insurance company. Please bear with us over the next few weeks as we work hard to get back to normal!

Term Dates - 2010/2011

Please see the attached term dates for next year. The Government has given all primary schools an additional teacher training day to carry out some curriculum development work and so you will see that there are six teacher days arranged during the next academic year. The majority of these days are attached to a school holiday with the exception of Friday 5th November which falls at the end of the first week back to school after the October half term. This day has been organised as a teacher day as the staff will be joining together to work with other local primary schools for a teaching and learning conference and so we had limited flexibility with when this could be arranged.

Annual Reports to Parents and Open Day

The children's annual reports will be sent home next Friday. Please take time to complete the parents reply slip indicating receipt of the report and send it into school as soon as possible.

Tuesday 13th July is our open day. School will be open from 8.15-9.15am and from 3-4pm. Please pop into school to share your child's work and to meet their new class teacher. There will be a second hand uniform sale during the day - so please bring along your spare change!

In addition, some Governors will be around school on Tuesday, providing an opportunity for you to get to know members of the Governing body. Please spend some time getting to know them and share your views about the school including things you feel we do well and any concerns you may have as well as any changes that could be made to support our development planning for next year.

PTA Meeting

The PTA is meeting at 7.30pm on Monday evening at the Elms. They will be beginning to plan events for next year and would love to hear your ideas! Everyone is welcome - we hope to see you there.

PTA Family Camp

Please let the school know by Monday 5th July if you are interested in joining in the fun.

Class Assemblies

We have come to the end of our class assembly timetable for this year. All of the children have taken part in presenting their work to their parents and the rest of the school. We have had many enjoyable Friday mornings sharing these with the children and are delighted that they have been such a success. Class assemblies take some time to prepare and class time with the children to ensure they are ready and confident, so it is appropriate to say a thank you to all children and their teachers for their hard work as well as a thank you to parents and family members who have supported the events. We look forward to enjoying the assemblies next year!
