Annual Reports to Parents

All reports will be sent out today. Staff have worked hard to complete them so we hope you find them informative and enjoy reading them. Please complete the parents reply slip and return it to school as soon as possible.

Included within the report envelopes you will also find your child's attendance report for the year and a copy of our new Attendance policy and Attendance procedures. The Governing body have been working together to draw up this new policy to improve attendance in school. The policy will be reviewed during the Summer term 2011.
