

# School Council 2011-12

I am kind and caring. The council will listen to your ideas to make our school an even better place.

**Hello I am the Chairperson  
of the council. I am reliable  
and responsible. I am  
looking forward to  
listening to your ideas.**

If you need  
someone to confide  
in, I'm here!

I care about people.  
Please come and  
talk to me.

I care about people .If you have a problem drop us a message in the suggestion box.

I am caring and helpful.

I will share your  
ideas and I will  
feedback from our  
school council  
meetings

I am polite. Just  
come to me if you  
have a problem

I help people and if you have no one to play with let me know.

A young girl with voluminous, curly brown hair is looking directly at the camera with a slight smile. She is wearing a white collared shirt. The background consists of a light-colored wooden door with a brass doorknob, flanked by blue vertical panels. A light blue speech bubble is overlaid on the lower part of her face.

I am kind and I will help you.
