

Here are the areas of learning we will be studying under our Autumn term theme.

Myself and my home

- Knowledge and Understanding of the World

As historians we will : Look at how people change growing up – time lines. We will study homes from the past and compare their similarities and differences to our homes.

As geographers we will: Look at our local area and the features we can see. Along with our likes and dislikes and how our local area can be improved. We will also look at houses around the world.

As computer technicians we will:

Use a variety of programs to add text to documents and to create images.

As scientists we will:

Be using our 5 senses and going on sound walks around the school. We will be doing taste testing and using scientific language to discuss our findings. We will also be looking at materials related to houses and sorting and testing them.

As musicians we will:

* Explore and identify sounds and learn how to change and use sounds expressively.

As designers we will:

Be constructing houses using a variety of materials.

- Creative Development

As artists we will:

* Be creating self portraits using a variety of materials. We will look at shapes, textures and colours.

As cooks we will be making and decorating biscuit people.

- Personal, social and emotional development

We will be making classroom rules and following them.

Recognising what is fair, unfair and discussing our likes and dislikes.

Making choices and developing positive relationships through work and play.

- Communication, Language and Literacy

As readers and writers we will: Be looking at a variety of stories with familiar settings and poems. Looking at characters and settings. We will be writing labels and instructions and learning through role play. We will read using our phonic knowledge and write using correct pencil grip and letter formation.

- Problem Solving, Reasoning and Numeracy

As mathematicians we will:

* Follow the National Strategy for numeracy units; Counting and understanding numbers, knowing and using number facts, Handling data, measures and shape.

During the Autumn term we will also be studying the following:

SEAL:

*New Beginnings – Understanding different feelings and emotions. Developing our understanding of the need for rules in school and in our society. We will also be looking at feelings and emotions through stories and circle time activities.

RE:

*In R.E we will be looking at the creation story, Harvest and the meaning of Christmas alongside the Christmas story.

PE:

In PE the children will work with Mr Styles developing their skill using a variety of equipment and using these to play a variety of team games.

Homework Plan

| Day | Task |
|-----------|------------------------------|
| Monday | |
| Tuesday | Reading sent home |
| Wednesday | Reading |
| Thursday | Independent reading |
| Friday | Reading sent home & homework |

Homework project: The children will be asked to complete a homework project related to our theme. Details will be sent out.

Trip :

Avoncroft museum, Bromsgrove 30th September 2009
