

Mrs Lee and her class

# Welcome you to Year 1

In Year 1 we have been busy settling into our new classroom. We wrote rules that we all follow and we have done lots of exciting activities.

In Literacy we have been doing work all about stories with familiar setting our favourite book was Oliver's Vegetables. By Vivian French.

In Numeracy we have been counting in a variety of ways and learning about numbers and calculations. We also went on a visit to the Ricoh arena where we saw numbers everywhere.

Our Creative theme for the autumn term is

**Myself and my home**

We have been busy learning all about our bodies, ourselves and our families.

We went on a visit to Avoncroft museum in Bromsgrove. It was great fun and we learnt a lot about homes through the ages.

Year 1 is a very busy place to be here are some more pictures of us in our classroom.
