

Mrs Lee and her class

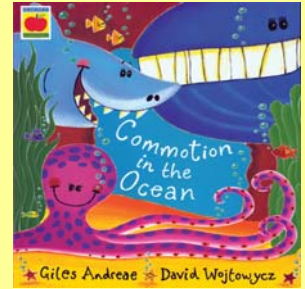

# Welcome you to Year 1

Summer term

In Literacy we looked at poetry and Non-fiction texts all based around our theme of Buckets and spades.

We have learnt about characters and settings and have had lots of fun writing our own fantasy stories. We based our stories around pirates.

The children acted out their stories before writing them.

In Numeracy we have been busy. We took part in money week and solved lots of problems about buying ice-creams.

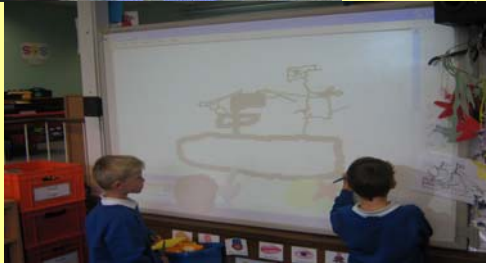

# Creative theme

## Buckets and spades

We learnt all about holidays now and in the past.  
We have looked at different holiday places.  
We also did a brilliant class assembly.

We went on a visit to the Heart of England beach.

We had a fantastic day.
