

Welcome to year 6

My name is Mya Graham and I am a school councillor .I hope you enjoy looking at our website.

A word from our council representatives

I am Daniel Phillips also a school councillor we are here to help and take in your ideas

Plas Dol-y Moch

- We had a great time when we headed off to North Wales

- We are on a journey around the world starting in North Wales finding out about places, customs and cultures all around the world. We have had to study one place in detail.

We chose a country, city or landmark to research

- Then we wrote a letter to the appropriate embassy and asked for resources, pictures or information about our chosen place.
- This half term we have been sharing what we have learned with each other.

We learned how to present ourselves to others and we gave each other constructive criticism.

Prepare by writing notes and use post its to refer to

Speak clearly to your audience.

Look at your audience.

Enjoy the presentation.

Slippers

- We made some really great slippers for our D&T project.
