

Fun Run

Another of our fundraising events took place on the 21st May. The whole school joined in a sponsored non-stop fun run. Classes ran around the school field all day in relay style fashion. Every child ran for 15 minutes with the aim of running as many laps as possible.

So far we have raised an amazing...

£1097.10

And the money keeps rolling in. We would like to say a huge thank you to everyone who has supported the children and given generous sponsors. Every penny helps!
